

Ecological Landscaping

Pre-Conference Day

to Ecological Farming Conference

January 20, 2010 • Asilomar Conference Grounds • Pacific Grove, CA

Join us as we gather on the beautiful shores of the Monterey Bay National Marine Sanctuary to hear and explore the latest trends in the ever-expanding world of ecological landscaping.

Hear from this field's pioneers as well as the architects, landscapers, water resource managers and farmers who are shaping the future. Nationally recognized authors and activists will be on hand to answer your questions and inspire.
